📄 Project Sutra: The Universal Mapping (Glossary)

Technical/Generic Term	Gyan Yatra Theme (The Identity)	Contextual Usage (UI/API)
System/Architecture	**Sutra**	"The Sutra is processing your request."
AI Teacher/Agent	**Acharya**	"Acharya is analyzing your Wisdom Log."
User/Student	**Seeker**	"Welcome back, Seeker Ankit."
Learning Journey	**Yatra**	"Your Yatra to FAANG Mastery."
Lesson/Video	**Satsang**	"Join the Satsang on Microservices."
Notes/Journal Entry	**Wisdom Log**	"Record your Wisdom Log for this session."
Points/XP	**Karma**	"You earned 50 Karma for deep insight."
Progress/Level	**Mastery Path**	"Your current position on the Mastery Path."
Skills/Concepts	**Siddhis**	"You have unlocked the 'Concurrency' Siddhi."
Interview Questions	**Challenger's Trials**	"Prepare for the Google Challenger's Trial."
Dashboard	**The Yatra Map**	"View your Yatra Map to see next steps."
Error/Exception	**Obscuration**	"An Obscuration has blocked the path."
Loading/Processing	**Meditating**	"Acharya is Meditating on your insights..."
Portfolio (Proof of Work)	**The Vamshavali**	"Share your Vamshavali with recruiters."
Completed	**Mastered**	"Satsang: Mastered."
In-Progress	**Traversing**	"Currently Traversing: System Design."

| To-Do/Bookmark | Visioned | "Topics Visioned for the future." |
| Success/Confetti | Utsav | "Trigger Utsav for a milestone reached." |

🛠️ Technical Enforcement Rules:

1. **Logging:** Backend logs should state: `[SUTRA-LOG] Seeker {id} has added a new Wisdom Log.`

2. **API Responses:** `error.message` must always use the "Obscuration" terminology.

3. **AI Prompts:** The System Prompt must begin with: `You are the Acharya, guiding a Seeker through their Yatra.`
